JP College of Arts and Science was established in the year 2007 by the great vision of Rev.Fr. Dr. J.E Arulraj is the Founder and Chairman of the college. The primary objective of the college is 'Fully Human Fully Alive'.

Education brings positive changes in human life. It enhances the knowledge, skill, and intelligence of the person and enables him to lead a successful life. We are living in a competitive world. As a student we meet various challenges in our day to day life. To overcome these challenges as a student we need both subject talents and extracurricular talents to be success in our career. Cultural participation plays an important role in educational settings. This Singapenna-2 provides an opportunity for the blooming stars of different arts and science college students to enhance their talents in the different fields.
