

## NEWS LETTER - FEBRUARY 26

# JP BLOSSOM

### OUR FUNCTIONS AND ACTIVITIES

### A MONTH OF EXCELLENCE AND PROGRESS

February 2026 was a dynamic month filled with academic achievements, innovative programmes, and vibrant campus activities.

International conferences, seminars, and workshops strengthened research culture and technical expertise.

Students excelled in intercollegiate competitions, showcasing creativity, talent, and leadership.

Overall, the month highlighted our institution's continued commitment to excellence, innovation, and growth.

### VISION

- Empower youth by providing quality education and developing multidimensional capabilities, enabling them to contribute to economic, social, and political development.

### MISSION

- To equip youth with advanced knowledge, skills, and values to enhance their employability and quality of life.
- To foster an entrepreneurial mindset among students by providing mentorship, resources, and practical experience to encourage innovation, creativity, and sustainable business practices.
- To shape them into responsible citizens capable of conducting research to invent and create innovations for societal advancement.

## Dear Readers,

The February 2026 edition of our newsletter has been warmly received by students, faculty, alumni, and well-wishers of DMI Engineering College. Readers have appreciated the comprehensive coverage of key academic events such as the International Conference on Emerging Trends in Intelligent Computing (ICoETIC-2026) and the International Conference on Science and Research, noting that these highlights reflect the institution's growing academic excellence and research culture.

The feature on Angadiwala 5.0 – My First Shop was widely admired for showcasing the entrepreneurial spirit and practical business skills of our students, while reports on innovation-focused programmes, including seminars on emerging technologies and hands-on workshops, were praised for emphasizing skill development and industry relevance. Achievements in intercollegiate competitions, literary events, and national-level short film contests filled readers with pride and reinforced the college's commitment to holistic growth.

The JP Marathon for Social Awareness was also commended for promoting civic responsibility and community engagement. We sincerely thank our readers for their continued encouragement and invite them to share their valuable feedback, suggestions, and creative contributions for forthcoming editions as we strive together to uphold excellence, innovation, and the vibrant spirit of our institution.

With best wishes,

**Dr. J. MICHAEL MARIADAS**

# INNOVATION CONCLAVE ON EMERGING TECHNOLOGIES

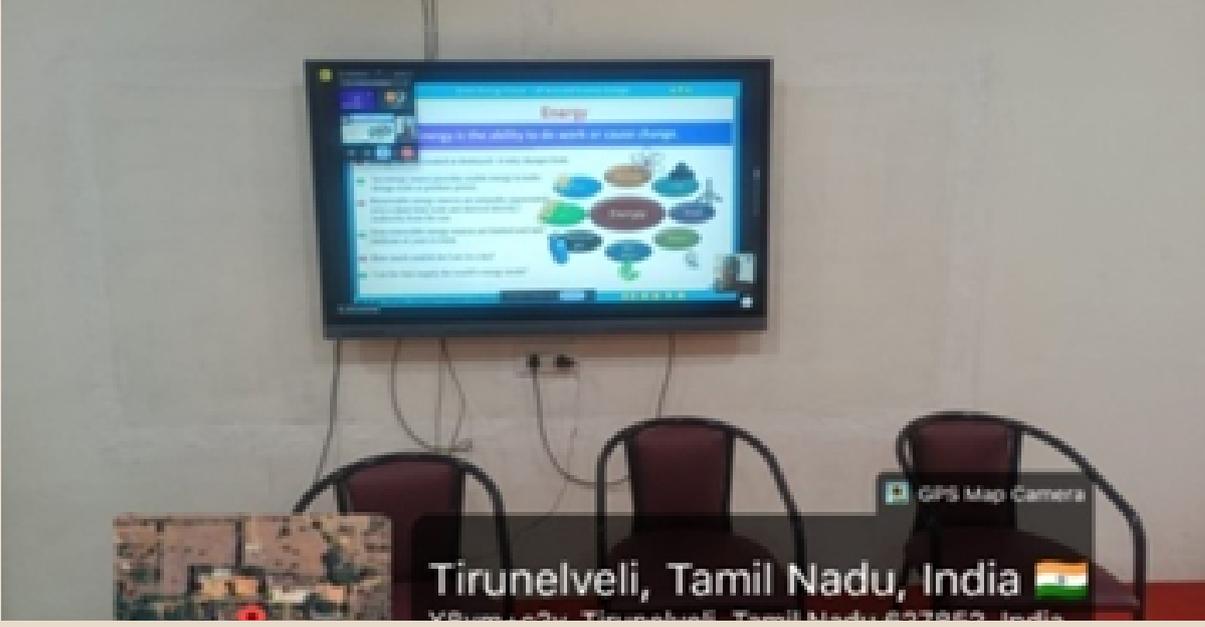

Feb  
2

The Departments of Mathematics, Physics, and Chemistry conducted an innovation conclave titled Catalyzing Future Technologies on 2<sup>nd</sup> February, 2026. The programme featured Mr. Thambiran, Software Engineer and Sales Executive, as the trainer.

# Seminar on Youth and Green Energy

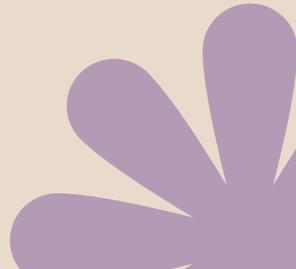

Tirunelveli, Tamil Nadu, India

Tirunelveli, Tamil Nadu, India

A seminar focusing on the role of youth and artificial intelligence in shaping a green energy future took place on 3rd February 2026. Dr. Ajiudhaya, Assistant Professor, Holy Cross College, Nagercoil, delivered the key address.

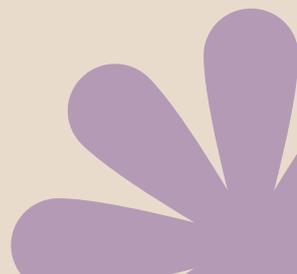

# Seminar on Youth and Green Energy

Feb  
4

On 4th February 2026, the Department of Commerce (Batch I), in collaboration with ICT Academy, held a power seminar titled Business Canvas. Mr. K. Arul, Head of Logistics and Supply Chain, E-Crusaders, was the resource person.

# Seminar on Blockchain and IoT

Feb  
5

A seminar on blockchain with IoT was conducted by the Department of Electronics and Communication on 5<sup>th</sup> February 2026. Dr. S. Geetha, Professor, B.N.M. Institute of Technology, Bengaluru, was the chief guest.

## Laptop Distribution Programme

Under the Tamil Nadu Government Laptop Distribution Scheme, 398 laptops were issued to eligible final year Undergraduate students on 5<sup>th</sup> February 2026.

# International Conference on Science and Research

Feb 5

**ABOUT THE INSTITUTION**

JP College of Arts and Science is one of the institutions of JPT Foundation under the cognisance of DME and MGC Daughter of Mary Immaculate and collaborators (DME) and Missionaries of Mary Immaculate and collaborators (MGC) are International Religious congregations approved by the authority of his holiness the pope through the respective diocese of the catholic church to work internationally Rev. Fr. Dr. J. S. ABRAHAM, the Founder of chairman of JPT group of Institutions has a vision to provide a disciplined life with a spiritual base to remain truly alive and human.

The institution is located in a spreading area of about 50 acres of land at Agarakata between Tenkasi and Aylford, Tamil Nadu, Pasichayal in Tirunelveli district. The college is affiliated to the Manonmaniam Sundaram University and offers 13 UG programmes, 4 PG programmes.

**VISION & MISSION**

Empower youth by providing quality education and developing multidimensional capabilities, enabling them to contribute to economic, social, and political development.

- To equip youth with advanced knowledge, skills, and values to enhance their employability and quality of life.
- To foster an entrepreneurial mindset among students by providing mentoring, resources, and practical experience to encourage innovation, creativity, and sustainable business practices.
- To shape them into responsible citizens capable of conducting research to invent and create innovations for societal advancement.

**ABOUT THE CONFERENCE**

Scientific advancements in Mathematics, Physics & Chemistry play a crucial role in addressing global challenges and driving sustainable development. The 2<sup>nd</sup> International Conference on "Emerging Trends in Mathematical, Physical, and Chemical Sciences for Sustainable Development (ETMPCS-26)" aims to bring together leading researchers, academicians, and industry professionals to share their insights, innovations, and discoveries in these disciplines.

**PLAGIARISM ALERT**

Please ensure that all submissions are original work and properly cite any sources to maintain academic integrity. Plagiarism will not be accepted in and any instances of academic dishonesty will be taken seriously.

## STATE-LEVEL SYMPOSIUM

Students from the Department of English participated in the State-Level Symposium organized by the Department of English, Merit College, Alangulam, on 27th February 2026 and emerged as the Overall Champions.

## CONCLUSION - FEBRUARY EDITION

The month of February was a remarkable one for JPCAS, bringing numerous laurels to the campus through the achievements of both students and faculty. A wide range of technical and professional activities were organized on campus, significantly contributing to skill development and further enhancing the competencies of students and faculty alike. We sincerely appreciate the dedication of our faculty, the enthusiasm of our students, and the consistent support of the management in making every initiative meaningful and successful.

Let us continue to learn, lead, and inspire.
