A NEWS LETTER- JULY 2026

July 2026 – Monthly Highlights

July 2026 was a vibrant month at JP College of Arts and Science (Autonomous), marked by a wide range of academic, skill development, career guidance, and social outreach programmes. Departments organized seminars, workshops, orientation sessions, alumni interactions, motivational talks, hackathons, and industry-focused training to enhance students' knowledge, employability, and professional competencies. Significant milestones included MoU signing ceremonies, the inauguration of the Research Club and CA & CMA Programme, placement initiatives, and outstanding student and faculty achievements. These activities collectively strengthened academic excellence, innovation, industry collaboration, leadership, and holistic student development across the institution.

Dear Readers

Greetings from JP College of Arts and Science.

JP Blossom for July 2026 reflects the energy, innovation, and teamwork that make JP College thrive. This edition showcases the workshops, seminars, cultural programs, and achievements of our students and faculty that took place through the month, highlighting the spirit of learning beyond the classroom.

I extend my gratitude to our faculty and parents for your continuous support in nurturing students with knowledge, skills, and values for a meaningful future.

My sincere appreciation to the Editorial Team of JP Blossom for documenting the events of July with dedication and creativity. Your efforts ensure that every milestone of our JP family is celebrated and remembered.

Let us continue to learn with curiosity, lead with responsibility, and serve with purpose.

Social Activity

The Research Cell organized a Hands-on Training on "Innovate to Win: MSME Hackathon 6.0 Bootcamp" on 2nd July 2026. The session was conducted by Mr. V. Ayyappan, Head, JPCOE MSME Business Incubation, who guided participants on innovation, entrepreneurship, and hackathon opportunities. The programme successfully motivated students to actively participate in innovation-driven competitions and entrepreneurial ventures.

Hands-on Training

The Departments of Electronics and Communication and Physics visited Aramba Jothi Middle School, Ilanji, on 02.07.2026 as part of a social activity. We interacted with the children and spent quality time with them. We distributed notebooks, pens, and Lunch to the students. The visit brought happiness to the children and was a meaningful experience for us.

Inauguration of English Literary Association

The Department of English successfully organized the Inauguration of the English Literary Association on 3rd July 2026. The event was graced by Dr. N. Thamodaran, Assistant Professor of English, who delivered an insightful lecture on “An Epoch of English Literature.” The students actively participated in the session and responded enthusiastically to the lecture.

Motivational Talk

The Department of Visual Communication, JP College of Arts and Science, organized a Motivational Talk on 6th July 2026 at the Vision Studio. The session was delivered by Rev. Sr. Dr. I. Arockia Mary, Correspondent, who inspired students with her message, "Let your vision be bigger than your challenges." She encouraged students to develop confidence, perseverance, and a positive mindset to achieve success in both academics and life.

Advisory Board Meeting

The Department of Business Administration organized a Department Meeting on 6 July 2026 to welcome students and discuss the academic roadmap for the new semester. Faculty members introduced the department's vision, academic regulations, and upcoming activities, encouraging students to actively participate in curricular and co-curricular initiatives.

3-Day Basic Documentary Filmmaking Workshop

The Department of Visual Communication organized a 3-Day Basic Documentary Filmmaking Workshop from 7th to 9th July 2026 at St. Peter Hall and the Visual Communication Department. The workshop was conducted by Mr. R. R. Srinivasan, Filmmaker and Photographer, who provided hands-on training in documentary production, scriptwriting, camera techniques, sound recording, and video editing.

Voice of Alumni Programme

The Departments of Physics and Electronics & Communication jointly organized a Voice of Alumni programme on 7th July 2026 at Arul Arangam, JP College Campus. The chief guest, Ms. S. Anancia, B.Sc., LL.B., Advocate, Tenkasi District Court, shared her inspiring academic and professional journey with the students.

Transforming Careers with AI & Soft Skills Programme

The Department of Training and Placement, in collaboration with Unnati Foundation, organized a programme on "Transforming Careers with AI & Soft Skills" on 8th July 2026 at St. Peter Hall. The session was led by Mr. Daniel, Soft Skills Trainer, Unnati Foundation, who emphasized the importance of artificial intelligence, communication, and employability skills in today's competitive job market.

"College to Corporate" Career Guidance Programme

The Departments of Computer Science, Computer Applications, and Information Technology jointly organized a "College to Corporate" career guidance programme on 8th July 2026. The session was conducted by Mr. Nelson Kingsley Joel P., Resource Person from JP College of Engineering, who guided students on the transition from campus to the corporate world. He highlighted workplace ethics, communication skills, teamwork, problem-solving, resume preparation, and interview techniques.

Skill-Oriented Programme

The Department of Commerce (Professional Accounting) organized a Skill-Oriented Programme for first-year B.Com (Professional Accounting) students on 9th July 2026 in Lab 1. The session was delivered by Dr. M. Sivasubramanian, COE (i/c) & Head, Department of Computer Science, who emphasized the importance of technical skills, professional competence, and career readiness. Students gained practical insights into industry expectations and skill development.

Seminar on "English for Employment Skills for the 21st Century"

The Department of English, organized a seminar on "English for Employment Skills for the 21st Century" on 9th July 2026 in the Seminar Hall. The session was delivered by Mr. Abdul Razak, Assistant Professor of English, JP College of Education, Ayikudi, who highlighted the importance of communication, teamwork, leadership, and problem-solving skills for career success.

Orientation Programme

The Department of Commerce, in association with IQAC, organized an Orientation Programme for first-year students on 9th July 2026. The session featured Dr. C.A. D. Ilanchezhian, Cybersecurity Analyst, as the resource person.

Advisory Board Meeting

The Department of Commerce (UG & PG), organized an Advisory Board Meeting on 9th July 2026. The meeting brought together distinguished academicians, alumni, and industry experts to discuss curriculum development and academic excellence. Valuable suggestions were shared to enhance industry relevance, employability, and student outcomes.

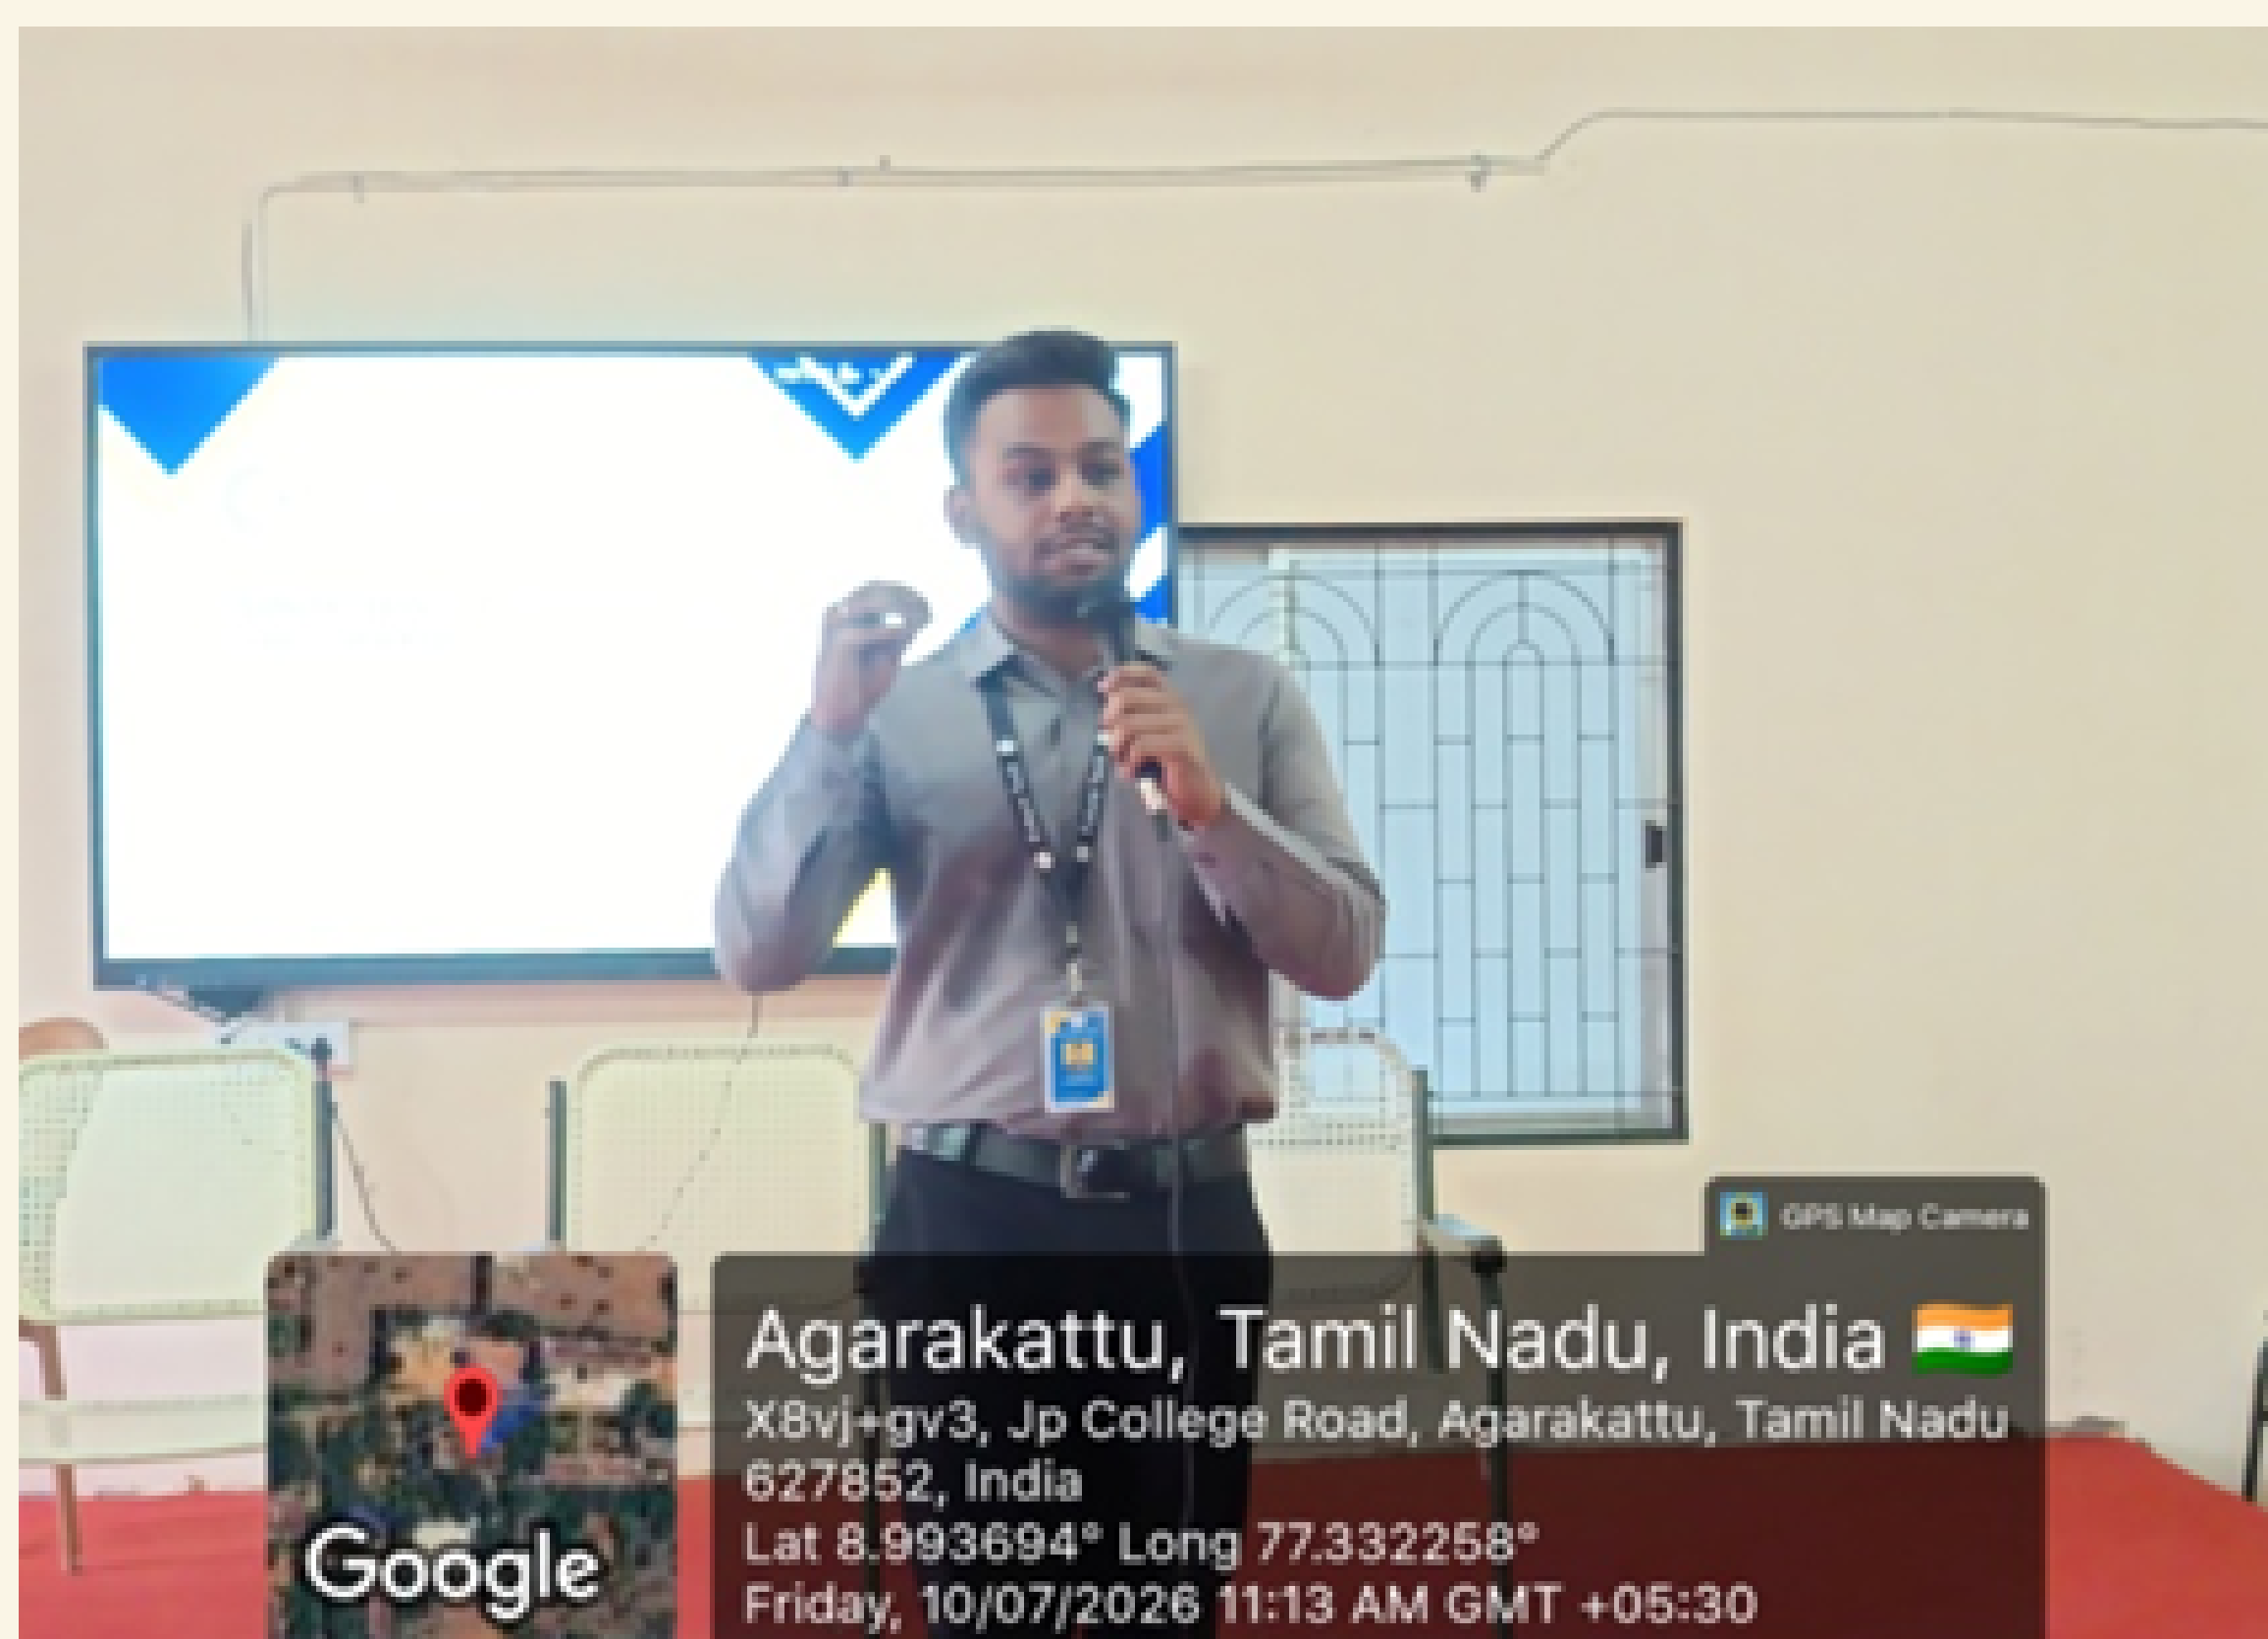

Motivational Talk

The Department of Commerce, organized a Motivational Talk on Social, Moral and Values on 10th July 2026. The session was delivered by Rev. Sr. Jude Lisa, Chief Guest, who inspired students to uphold ethical values and social responsibility in their personal and professional lives.

Hands-on Training on Ethical Hacking and Cyber Security

The Departments of Information Technology, Computer Science and Computer Applications jointly organized a Hands-on Training on Ethical Hacking and Cyber Security for second-year students. Mr. A. Thaianban from Future Tech Academy served as the resource person. He demonstrated ethical hacking and cyber security concepts using mobile phones. The students benefited greatly from this session.

Angel Investment & Venture Capital (VC) Funding Opportunities

The Department of Commerce organized an online expert session on "Angel Investment & Venture Capital (VC) Funding Opportunities" on 11 July 2026 through Google Meet. The session was delivered by Mr. K. Ganesan, Branch Manager & Stock Market Manager, Motilal Oswal Financial Services Ltd., Sivakasi.
